## Invite: From Inclusion to Belonging — BUA x BR50 Joint Strategy Workshop with Professor Kelly Hannah-Moffat (Vice President at the University of Toronto) on October 23, 2024

Creating a lasting impact through **Diversity, Equity, and Inclusion (DEI)** strategies is essential for every academic institution. But the real question is, how do we advance to a **culture of belonging** that transforms the way we work and lead?

On **October 23, 2024**, we invite you to join the exclusive workshop "**From Inclusion to Belonging**", where globally recognized DEI expert **Professor Kelly Hannah-Moffat (University of Toronto)** will share insights and facilitate a collaborative environment to develop solutions tailored to your institution's challenges. Through open discussion and focused group work, participants will have the opportunity to address practical issues and explore effective ways to implement DEI strategies that resonate with their institutional needs.
